

FIERCE. FLUSH. FINISHED.

The new full-featured deck screw from CAMO uses reverse upper threads to hold tight, and a nibbed countersinking head design for a clean, flush finish.

- **Workhorse screw designed to do-it-all** - Decks, fences, railings, sheds, pergolas, dog houses and more
- **Full Featured Performance** - Has a countersinking head and reverse upper threads for strong pull-down power and a clean, premium finish
- **Tough Exterior Coating** - PROTECH® coated for long-lasting protection against the elements
- **Universal T-25 Star Drive** - Uses a consistent drive recess across sizes
- **Wide Size Selection** - Available in 1 ¼", 1 ⅝", 2", 2 ½", 3", 3 ½", 4" lengths

All CAMO Exterior Screws are backed by a CAMO Warranty.
